

CHAMBER BINGO TENT

The **Roselle Chamber of Commerce & Industry** will be hosting a **Bingo Tent** at the **Taste of Roselle** on **Friday, August 2 through Sunday, August 4**. The success in previous years is directly related to the tremendous response from Chamber members and our friends who have supported this event through sponsorships.

Sponsoring the bingo games is a great way to promote your business to the community. The people who play the games are potential customers for your business – either as individual consumers or representatives of their companies.

Your sponsorship will be posted on all bingo tables and will be announced as random sponsors are drawn for games. All sponsors will also be recognized in Chamber eNews.

This sponsorship opportunity provides a means for your business to take advantage of the Chamber’s participation in the Taste of Roselle. Your sponsorship, a minimum of \$150.00, must be received at the Chamber office no later than **Friday, July 26, 2024** to ensure recognition.

Premium sponsorship opportunities are available. Please contact the Chamber for details.

Thank you for your consideration!

John T. Dabrowski

Bingo Chairman
